Tuition & Text Books: \$550

Purpose:

- The primary purpose of the course is to prepare students to successfully complete the Delaware Real Estate License Examination, administered by Pearson Vue.

Qualifications:

- All prospective Delaware real estate licenses must have a high school diploma or a General Education Development (GED) Certificate; or take a test to benefit.
- Licensees must be at least 18 years old and typically cannot have been convicted of a felony.

Orientation:

- The first class will be an orientation. A math pre-test will be given, and any student who scores 80% or higher will be exempt from the math portion of the course. This is optional. Students "testing out" of the math section may still attend any or all of the math classes.

Textbooks (included in the price):

- Modern Real Estate Practice (20th Edition)
- Delaware Real Estate Primer
- Mastering Real Estate Mathematics (8th Edition Update)

Note: Textbooks may be picked up from the school on or before the first class by contacting the school in advance.

Attendance:

- Instructors keep attendance and progress reports. No more than 4 three-hour classes may be missed and of those, no more than 2 three-hour classes in any one subject may be missed during the term. Students are required to learn material missed during an absence.

Examinations:

- A final exam is given in each of the three areas of study (*Real Estate Law, Real Estate Practices, Real Estate Math*). Exam formats are similar to the state-licensing exam. Mid-term exams and periodic quizzes may also be given. The minimum passing grade for each section is 70%. Students may retake a final exam, if necessary, in any or all of the three subjects. The final exam grades are the final subject grades.
